

Merry Christmas & Happy New Year

Dear Family and Friends,

Another year with COVID, so No TRAVELS, No REUNIONS and No CELEBRATIONS except for some visitors and family members, including Ed's cousin Craig Campbell, wife and kids.(pictured on page 4) who stopped by to see me. My Levy family was around with calls and homemade soups and desserts and gatherings. My Ramsey family and my Ramirez families called, and Doug Ramsey kept me going with his nightly phone calls. My Beverly Hills School District colleagues connected as well, as did longtime friends like Sister Sue Greenblatt who is a widow like me, as well as my sister-in-law Adriana Ramirez, who lost my brother Paul in October 2021. Despite those terrible losses, I survived another year of COVID. Hopefully, life for all of us will be better next year.

My BEST accomplishment aside from promoting our book, TAKING FLIGHT: THE NADINE RAMSEY STORY, was working on the documentary with Vanilla Fire Productions. Filming and interviews of Lisa Taylor, Director of the WASP Museum, together with Sarah Rickman, author and authority on the WASP, and Ed. Ramsey Jr. as well as interviews with MG Jeannie Leavitt, USAF who wrote the FOREWORD to our book and my co-author, Tricia Aurand, Terry Rinehart (whose mother was Nadine's commander in the Ferrying Command in Long Beach) as well as Erin Miller, granddaughter of Elaine D. Harmon, who was the first WASP buried in Arlington after Congress passed the law on May 20, 2016. Her crusade is described in her book, "FINAL FLIGHT, FINAL FIGHT." I will keep you posted on the progress of the documentary. I also learned from the University Press of Kansas that our book will be reprinted in paperback.

One notable and exciting event was the re-opening of the Oklahoma Military Academy Museum in Claremore, Oklahoma, which features Ed's display and collection. See photos of the redesigned display and photos of the Ramsey, Ramirez and Levy families on the following pages.

I wish you all a wonderful Thanksgiving and a healthy and happy Christmas and New Year! REMEMBER THOSE WHO WILL NOT BE AT YOUR DINNER TABLE LIKE MY HUSBAND, Col. Edwin P. Ramsey, 26th Cavalry PS and my brother, Paul Victor Ramirez.They remain in my HEART and MIND forever.

God's Blessings to all and a HAPPY HANUKKAH, MERRY CHRISTMAS and HAPPY NEW YEAR. Hope to see you in 2023! Love and prayers,

(l-r) Doug, Raqui and Bob at Easter
